

JANUARY SPECIALS

- 10% DISCOUNT

(OFF ANY AUTO REPAIR BILL EXCEEDING \$50)

HAPPY NEW YEAR! Doc's auto repairs' is now celebrating 3 years in business. The national average says we must be in business for 5 years to be considered a success; however, Doc's has been on a 10% growth rate each year which is great and we are up to 762 customers. Thank you so much for supporting and trusting us. We appreciate you and the referrals you send to us. Our U-Haul rental business has brought in 35 new customers this year and you have brought us 36 new customers. In 2011 we hit our goal of purchasing a new tire machine and wheel balancer specializing in motorcycle tires as well as passenger vehicles with low profiles. For 2012 we hope to purchase the property Doc's sits on and add a truck lift and alignment machine to our services. Due to our business growth we are also looking for another experienced mechanic, if you know of one, please send him or her to us.

Brenda & Bruce enjoyed the new friends we made at Bald Eagle Marina this summer but continuing that business is too much with operating Doc's so we will not be leasing the marina this year but do hope to continue visiting Bald Eagle State Park with our boat.

AUTO TIP FOR THE MONTH: Lift your wiper blades off your car windshield when weatherman is calling for snow or freezing rain to keep them from sticking to the windshield. Do not slam your vehicle into gears when stuck in snow...rock it back and forth. If your tires are 4/32nd or lower in measurement, Please replace for safe winter weather driving (Doc's sells tires, call for prices.) Make sure your battery is not old and has full charge and headlights in good aim. Remember to carry cat litter and your other emergency supplies like a flashlight, blanket, shovel, candy, gum, extra coolant and windshield washer fluid in your trunk.

Doc's Auto Repairs wishes you a PROSPEROUS AND HEALTHY NEWYEAR!

***THIS YEAR'S RESOLUTION* QUITTERS NEVER WIN, WINNERS NEVER QUIT!**

If it rolls, slides, floats or glides, call the Doc! 570-865-6362
